**DREAM YACHT
CHARTER**

CELEBRATING 20 YEARS OF INNOVATION

Innovation is one of our strengths, whether it's bringing new sailing grounds to customers, partnering with cutting edge manufacturers or making sailing as accessible as possible. Next year will be an exciting 12 months for Dream Yacht Charter as we enter our 20th year in the charter business.

Over those two decades, the company has grown from a small operator to the world's leading charter company. Today we have an unrivaled fleet with 1250+ yachts in 64+ destinations.

OUR NEW DESTINATIONS

We've opened four new and exciting bases:

- 1 Newport and Lake Champlain on the US east coast
- 2 Panama's San Blas archipelago
- 3 La Rochelle and Lorient in France
- 4 Stavanger, Norway

WHAT'S NEW IN THE FLEET?

We've got more than 200 NEW boats, the latest models from the greatest manufacturers, coming into the fleet. We've also ordered 30 NEW Sun Loft 47 monocat units, five for the Caribbean and 25 for the Mediterranean. This new monocat was a 30-month collaboration effort between Dream Yacht Charter, Jeanneau shipyard and Philippe Briand architect.

MORE WOMEN AT SEA

We've been sharing stories from women around the world who are passionate sailors on our blog. The next year sees our ambassador, Anna Mourou, founder of the She Captain network, begin her three-year circumnavigation around the world and we can't wait to share her journey with you. Sign up for our newsletter on our website, or follow us on social media for updates.
