Builder Lagoon catamarans

The Lagoon 450 is a superb charter catamaran. It is large enough to provide ample deck, salon, and cabin space, but small enough for an experienced captain to handle her. She carries a family of up to 4 couples in style and provides all the amenities of the 50 foot plus charter catamarans.

The Lagoon 450 Salon is large, convenient, light, and airy. You have plenty of food preparation space and a galley that will support everything needed by even gourmet cooks. On indoor days, there is plenty of room for the family to congregate, eat, play cards, and relax. Views through the large vertical windows are amazing in all 360 degrees.

The Lagoon 450 offers modern, easy-clean, comfortable cabins. Excellent lighting, en-suite bathrooms, individual lighting, privacy, and lots of storage make this vessel a practical choice for a family.

The Lagoon 450 4 cabin layout has ensuite bathrooms for each cabin, a large well-equipped galley and saloon, the front deck with trampolines for sunbathing, and the extensive aft deck where you will have most of your meals. Plenty of room, and plenty of privacy!
